Dear Don,

Court Pace Classification

Thank you for your application for ITF classification listing. I am pleased to confirm that the following surface products have now been added to the official ITF list of classified tennis court surfaces.

Surface Product	ITF Court Pace Rating
SportMaster Pro-5	Category 5
CushionMaster Pro-5	Category 5

ITF Court Pace Classification is valid for three years, as stated on the certification enclosed. An up-to-date list of ITF Classified Surfaces can be found on our web site shortly, and this list will be published in an ITF booklet in January 2010, and distributed worldwide.

Please note that the inclusion of any court surface product on the published classification list does not constitute any form of official ITF approval.

If you would like to discuss any of the above matters further, please do not hesitate to contact me, or alternatively the ITF Head of Technical, Dr Stuart Miller.

Yours sincerely,

Lorna Springer
